

USA TRADITIONAL KODOKAN JUDO

Dear Colleagues,

Welcome to USA-TKJ..! There's never been a better time to **SHARE THE TRADITION!**

As a **USJJF** member for many years, I can tell you there has never been a **better time** to refer your students and colleagues to **US JU-JITSU** and **USA TRADITIONAL KODOKAN JUDO**.

Over the years, *the* **UNITED STATES JU-JITSU FEDERATION (USJJF)** has:

- Established (Lower) Membership Rates for America's Youth in Ju-Jitsu & Traditional Kodokan Judo
- Developed Many Programs to help Build Ju-Jitsu & Traditional Judo in the USA
- Increased both Ju-Jitsu & Judo Traditional Training & Competition from Local to International Levels
- Established the National Program of **USA Traditional Kodokan Judo (USA-TKJ)**
- Expanded Club Numbers and State Organizations Across the Nation
- Represented You as the Recognized USA National Governing Body for Ju-Jitsu
- Provided our Top Ju-Jitsu Athletes the Opportunity to Compete at the World Level
- Established Our "*Rightful Place*" within the Leadership of the **Ju-Jitsu International Federation (JJIF)** and the **Martial Arts International Federation (MAIF)**. *And Much More!*

The activity of members sharing their own experience by word-of-mouth throughout the USA Ju-Jitsu and Kodokan Judo Community is the **time-honored tradition** of **USJJF**. Simply *pass the word* on the **USJJF & USA-TKJ** Websites: www.usjjf.org and www.usatkj.org. And, when someone asks "*Who Do You Trust*" in Providing *Quality Programs and Services* to USA's Ju-Jitsuka and Judoka, just smile and tell them **USJJF..!**

USJJF is Leading the Way in the Further Development of the *Ancient Arts and World Sports* of Ju-Jitsu & Judo in the United States of America.

In summary, **USA Traditional Kodokan Judo** is "**All of Judo With the Proper Balance**"...

Thank you for every effort you make to tell others about **USJJF**. By spreading the "**Word**" about **USJJF Membership**, You Help Strengthen Our National Federation

Best Personal Regards,

Bruce R. Bethers
