KODOKAN JUDO

Kodokan Judo is defined by the Kodokan Judo Institute in Tokyo, Japan as

- ...a martial art formulated by Jigoro Kano based on his reformulation and adaptation of several classical jujutsu systems as well as his own philosophical ideals

Source: *Kodokan New Japanese-English Dictionary of Judo*

TRADITIONAL KODOKAN JUDO

Traditional Kodokan Judo is simply the practice of Kodokan Judo as described in the text *Kodokan Judo* (Kano, Kodansha International), **without** an *overwhelming emphasis* on the sport of Judo. It is about studying the history, etiquette, waza and kata of Kodokan Judo and enjoying them for what they are - *knowledge, skills and a way of life* based on principles taught by Kodokan Judo's Founder, Jigoro Kano.
